HOLIDAY HOMEWORK

CLASS-4

Session: 2025-26

Dear Students

Summer holidays are a time of relaxation, exploration and personal growth. While we enjoy the break from routine, it is also an opportunity to engage in creative activities and reinforce what we've learned.

This holiday homework is designed to balance fun and learning, helping you stay active mentally while enjoying your free time. Make sure to approach each task with enthusiasm and curiosity.

Some useful tips for Summer Vacation.

1. Read for pleasure: Choose books you enjoy and spend some time reading each day.

2. Stay active: Whether it's swimming or playing sports, staying active will keep you healthy and energized.

3. Explore new hobbies: Use the extra free time to try out new hobbies or activities you've been interested in. It's a great way to discover new passions!

4. Keep learning: Summer is a great time to learn something new. Whether it's a new language, a musical instrument, or a new skill, challenge yourself to keep learning and growing.

5. Stay connected: Keep in touch with friends and family.

6.Create a daily routine: Balance your day with study time, play time and rest. Alittle structure helps make the most of your holiday.

7. Have fun; Most importantly, have fun! Summer vacation is a time to relax,recharge and enjoy yourself. Make the most of it!

Wishing you a fulfilling and rewarding holiday homework experience!
